Office Notice R16-57

SUBJECT: Centralized ORR Liaison and File for  
Disarmament Support

1. Considerable assistance to Governor Stassen and his staff, comprising the U. S. Disarmament Delegation, has already been furnished by components of this Office. It is anticipated that disarmament negotiations will be continued over a considerable period of time.

2. The Current Support Staff will be responsible for: (a) reviewing and filing copies of all communications relating to support of the Delegation received in ORR; (b) assuring that requests for support placed on ORR are fulfilled; and (c) providing, for ready reference purposes, a central file of support materials prepared in ORR. Copies of all pertinent past and future research studies and communications relating to this support effort shall be furnished to the Current Support Staff, Attention: [REDACTED] 25X1A9a
